## IMPORTANT SAFETY INSTRUCTIONS

**Do not allow children to use the cart without supervision, it is not a toy.**

### Step1.

Fit the hook plate using 2 short bolts and nuts.

Ensure the square part of the bolt is fitted through the square hole.

### Step2.

Place the metal frame on the cart.

Pull the hook and lock the hook onto the hook plate.

## ***Assembly***

---

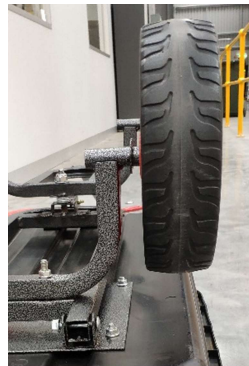

### **Step3.**

Fit the metal frame using 4 short bolts and nuts.

### **Step4.**

Fit the 4 wheels onto the axles.

Push the 4 wheel caps onto the axles.

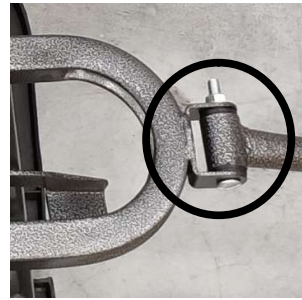

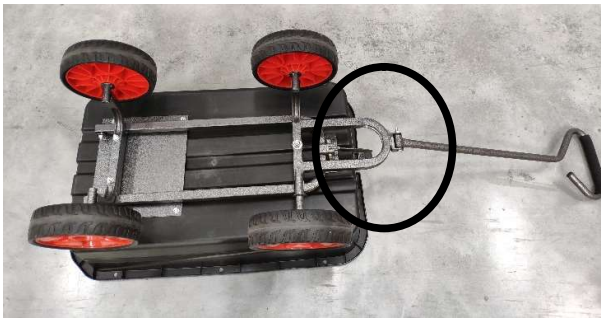

# Assembly

---

## Step5.

Fit the tow handle using the long bolt and nut.

Tool tray can be fitted onto the cart in 2 positions using the holes on the rim at the front and back of the cart

Or fit the tool tray under the cart by un-hooking and lifting the cart.
